Independent auditor's report on review of condensed interim financial statements

To the Unitholders of the SNB Capital Sadaqqat Fund

Introduction

We have reviewed the accompanying 30 June 2023 condensed interim financial statements of the **SNB Capital Sadaqqat Fund** (the "Fund"), managed by the SNB Capital Company (the "Fund Manager"), which comprises:

- the condensed statement of financial position as at 30 June 2023;
- the condensed statement of profit or loss and other comprehensive income for the six-month period ended 30 June 2023;
- the condensed statement of changes in net assets attributable to the Unitholders for the six-month period ended 30 June 2023;
- the condensed statement of cash flows for the six-month period ended 30 June 2023; and
- the notes to the condensed interim financial statements.

The Fund Manager is responsible for the preparation and presentation of these condensed interim financial statements in accordance with IAS 34, 'Interim Financial Reporting' that is endorsed in the Kingdom of Saudi Arabia and to comply with the applicable provisions of the Investment Funds Regulations issued by the Capital Market Authority and the Fund's terms and conditions. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' that is endorsed in the Kingdom of Saudi Arabia. A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying 30 June 2023 condensed interim financial statements of the **SNB Capital Sadaqqat Fund** are not prepared, in all material respects, in accordance with IAS 34, 'Interim Financial Reporting' that is endorsed in the Kingdom of Saudi Arabia.

1. THE FUND AND ITS ACTIVITIES

SNB Capital Sadaqqat Fund (the “Fund”) is an open-ended investment fund, established under article 31 of the Investment Fund Regulations (the “Regulations”) issued by the Capital Market Authority (“CMA”) and managed by the SNB Capital Company (the “Fund Manager”), a subsidiary of the Saudi National Bank (the “Bank”), for the benefit of the Fund's Unitholders.

The objective of the Fund is to offer investors the opportunity to participate in trade transactions, which conform to Shariah principles and to contribute income from their investments to officially recognized local charities meeting strict criteria set by the Fund, in support of the following local charitable causes:

- a) Supporting orphans;
- b) Supporting needy families;
- c) Supporting education for the needy;
- d) Supporting the handicapped; and
- e) Provision of healthcare services to the needy.

The terms and conditions of the Fund were issued by the Saudi Central Bank (“SAMA”) and subsequently endorsed by the CMA through their letter dated 18 Dhul Hijja 1429H (corresponding to 16 December 2008). The Fund commenced its activities on 17 Dhul Qidah 1422H (corresponding to 31 January 2002).

2. REGULATING AUTHORITY

The Fund is governed by the Investment Fund Regulations (the “Regulation”) published by the CMA’s Board Resolution no. (1-219-2006) dated 3 Dhul Hijja 1427 H (corresponding to 24 December 2006) thereafter amended pursuant to the CMA’s Board Resolution no. (2-22-2021) dated 12 Rajab 1442 H (corresponding to 24 February 2021), detailing requirements for all funds within the Kingdom of Saudi Arabia.

These condensed interim financial statements of the Fund have been prepared in accordance with IAS 34 “Interim Financial Reporting” that is endorsed in the Kingdom of Saudi Arabia and comply with the applicable provisions of the Regulations and the Fund’s terms and conditions.

These condensed interim financial statements do not include all information and disclosures required for a complete set financial statements and should be read in conjunction with annual audited financial statements of the Fund as at and for the year ended 31 December 2022.

4. BASIS OF MEASUREMENT AND PRESENTATION

These condensed interim financial statements have been prepared on a historical cost convention using the accrual basis of accounting and going concern concept except for investments measured at fair value through profit or loss (“FVTPL”) which are recorded at fair value.

The Fund does not have a clearly identifiable operating cycle and therefore does not present current and non-current assets and liabilities separately in the condensed interim statement of financial position. Instead, assets and liabilities are presented in order of their liquidity.

5. FUNCTIONAL AND PRESENTATION CURRENCY

Items included in the condensed interim financial statements are measured using the currency of the primary economic environment in which the Fund operates (the “functional currency”). These condensed interim financial statements are presented in Saudi Arabian Riyal (“SAR”) which is the Fund’s functional and presentation currency and have been rounded off to the nearest thousand unless otherwise stated.

11. FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

When available, the Fund measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an on-going basis. The Fund measures instruments quoted in an active market at a market price, because this price is assessed to be a reasonable approximation of the exit price.

If there is no quoted price in an active market, then the Fund uses valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction. The Fund recognizes transfer between levels of fair value at the end of the reporting period during which the change has occurred.

The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3: unobservable inputs for the asset or liability.

Carrying amounts and fair value

The following table shows the carrying amounts and fair values of financial instruments, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

	<i>As at 30 June 2023 (Unaudited)</i>				
	<i>Carrying amount</i>	<i>Fair value</i>			
		<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>

12. FAIR VALUE MEASUREMENT (CONTINUED)

Carrying amounts and fair value (continued)

The fund has classified cash and cash equivalents and investments measured at fair value through profit or loss ("FVTPL") as level 1 as per the fair value hierarchy. During the period, there has been no transfer in fair value hierarchy. For other financial assets and liabilities, such as cash and cash equivalents, other receivable and other payables, the carrying values were determined to be a reasonable approximation of fair value due to their nature.
