# Independent auditor's report on review of condensed interim financial statements

To the Unitholders of the SNB Capital Al Razeen SAR Liquidity Fund

## Introduction

We have reviewed the accompanying 30 June 2023 condensed interim financial statements of the **SNB Capital Al Razeen SAR Liquidity Fund** (the "Fund"), managed by the SNB Capital Company (the "Fund Manager"), which comprises:

- the condensed statement of financial position as at 30 June 2023;
- the condensed statement of profit or loss and other comprehensive income for the six-month period ended 30 June 2023;
- the condensed statement of changes in net assets attributable to the Unitholders for the six-month period ended 30 June 2023;
- the condensed statement of cash flows for the six-month period ended 30 June 2023; and
- the notes to the condensed interim financial statements.

The Fund Manager is responsible for the preparation and presentation of these condensed interim financial statements in accordance with IAS 34, 'Interim Financial Reporting' that is endorsed in the Kingdom of Saudi Arabia and to comply with the applicable provisions of the Investment Funds Regulations issued by the Capital Market Authority and the Fund's terms and conditions. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

## Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' that is endorsed in the Kingdom of Saudi Arabia. A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying 30 June 2023 condensed interim financial statements of the **SNB Capital Al Razeen SAR Liquidity Fund** are not prepared, in all material respects, in accordance with IAS 34 'Interim Financial Reporting' that is endorsed in the Kingdom of Saudi Arabia.

The objective of the Fund is to invest in short-term money market instruments in SAR or USD and other funds that have similar objectives and risk. The Fund may also invest in long-term Sukuk and bonds up to 20% of its net assets value. The Fund does not make any distribution to the Unitholders. Instead, capital gains and dividends are reinvested.

The terms and conditions of the Fund were issued on 1 Rabi-ul-Awwal 1409 H (corresponding to 13 October 1988). The Fund commenced its activities on 19 Rabi-ul-Awwal 1409 H (corresponding to 31 October 1988).

**2. REGULATING AUTHORITY**

The Fund is governed by the Investment Fund Regulations (the “Regulations”) published by the CMA’s Board Resolution no. These condensed interim financial statements do not include all information and disclosures required for a complete set financial statements and should be read in conjunction with the annual audited financial statements of the Fund as at and for the year ended 31 December 2022.

**4. BASIS OF MEASUREMENT AND PRESENTATION**

These condensed interim financial statements have been prepared on going concern concept and historical cost convention using accrual basis of accounting except for investments measured at fair value through profit or loss (“FVTPL”) which are recorded at fair value.

The Fund does not have a clearly identifiable operating cycle and therefore does not present current and non-current assets and liabilities separately in the condensed statement of financial position. Instead, assets and liabilities are presented in order of their liquidity.

**5. FUNCTIONAL AND PRESENTATION CURRENCY**

Items included in the condensed interim financial statements are measured using the currency of the primary economic environment in which the Fund operates (the “functional currency”). These condensed interim financial statements are presented in Saudi Arabian Riyal (“SAR”) which is the Fund’s functional and presentation currency and have been rounded off to the nearest thousand unless otherwise stated.

**11. RECONCILIATION OF CHANGE IN NET ASSETS ATTRIBUTABLE TO THE UNITHOLDERS**

As per the requirements of CMA circular dated 31 December 2017, the Fund calculates provision for impairment in respect of debt investments measured at amortized cost using the incurred loss model, whereas IFRS 9 requires provisions to be measured using the Expected Credit Loss (“ECL”) method. This has resulted in a difference between net assets calculated as per the CMA circular (“trading net assets”) and as per requirements of IFRS 9 (“reported net assets”).

The maximum amount of such expenses that can be recovered from the Fund by the Fund Manager is restricted to 0.5% (2022: 0.5%) per annum of the Fund's net assets value at the respective valuation days. **13. FAIR VALUE MEASUREMENT**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

When available, the Fund measures the fair value of a financial instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an on-going basis. The Fund measures instruments quoted in an active market at a market price, because this price is assessed to be a reasonable approximation of the exit price.

If there is no quoted price in an active market, then the Fund uses valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction. The Fund recognizes transfer between levels of fair value at the end of the reporting period during which the change has occurred.

The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3: unobservable inputs for the asset or liability.

***Carrying amounts and fair value***

The following table shows the carrying amounts and fair values of financial instruments, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

	<b>As at 30 June 2023 (Unaudited)</b>				
	<b>Carrying amount</b>	<b>Fair value</b>			<b>Total</b>
		<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	
<b><i>Financial assets measured at fair value</i></b>					
Investments measured at fair value through profit or loss	<b>68,056</b>	--	<b>68,056</b>	--	<b>68,056</b>

**13. FAIR VALUE MEASUREMENT (CONTINUED)**

*Carrying amounts and fair value (continued)*

	As at 31 December 2022 (Audited)				
	Carrying amount	Fair value			
		Level 1	Level 2	Level 3	Total
<i><u>Financial assets measured at fair value</u></i>					
Investments measured at fair value through profit or loss	71,508	--	71,508	--	71,508
	<u>71,508</u>	<u>--</u>	<u>71,508</u>	<u>--</u>	<u>71,508</u>

The Fund determines fair value of investments in un-listed open-ended investment funds measured at FVTPL using unadjusted net asset value and has classified them as level 2 as per the fair value hierarchy. During the period, there has been no transfer in fair value hierarchy for FVTPL investments. For other financial assets and liabilities such as investments measured at amortised cost, cash and cash equivalents, other receivables and other payables, the carrying values were determined to be a reasonable approximation of fair value.

**14. LAST VALUATION DAY**
